1 AMENDMENT TO HOUSE BILL 3638

2 AMENDMENT NO. _____. Amend House Bill 3638 by replacing
3 everything after the enacting clause with the following:

4 "Section 1. Short title. This amendatory Act may be
5 referred to as the Health Insurance Consumer Protection Act of
6 2014.

7 Section 3. Findings and purpose. The General Assembly
8 finds that the federal Patient Protection and Affordable Care
9 Act and the federal regulations implementing that Act give the
10 State and its Department of Insurance primary responsibility
11 for ensuring that all policies of health insurance and health
12 care plans that are offered for sale directly to consumers in
13 the State provide consumers with adequate information about the
14 coverage offered to enable them to meaningfully compare plans
15 and premiums and enroll in the appropriate policy or plan. The
16 purpose of this amendatory Act of the 98th General Assembly is

1 to build on the consumer protections provided in federal law
2 for policies or health care benefit plans offered for sale
3 directly to consumers through the Illinois Health Benefits
4 Exchange.

5 Section 5. The Illinois Insurance Code is amended by
6 changing Section 355a as follows:

7 (215 ILCS 5/355a) (from Ch. 73, par. 967a)

8 Sec. 355a. Standardization of terms and coverage.

9 (1) The purpose of this Section shall be (a) to provide
10 reasonable standardization and simplification of terms and
11 coverages of individual accident and health insurance policies
12 to facilitate public understanding and comparisons; (b) to
13 eliminate provisions contained in individual accident and
14 health insurance policies which may be misleading or
15 unreasonably confusing in connection either with the purchase
16 of such coverages or with the settlement of claims; and (c) to
17 provide for reasonable disclosure in the sale of accident and
18 health coverages.

19 (2) Definitions applicable to this Section are as follows:

20 (a) "Policy" means all or any part of the forms
21 constituting the contract between the insurer and the
22 insured, including the policy, certificate, subscriber
23 contract, riders, endorsements, and the application if
24 attached, which are subject to filing with and approval by

1 the Director.

2 (b) "Service corporations" means voluntary health and
3 dental corporations organized and operating respectively
4 under the Voluntary Health Services Plans Act and the
5 Dental Service Plan Act.

6 (c) "Accident and health insurance" means insurance
7 written under Article XX of the Insurance Code, other than
8 credit accident and health insurance, and coverages
9 provided in subscriber contracts issued by service
10 corporations. For purposes of this Section such service
11 corporations shall be deemed to be insurers engaged in the
12 business of insurance.

13 (3) The Director shall issue such rules as he shall deem
14 necessary or desirable to establish specific standards,
15 including standards of full and fair disclosure that set forth
16 the form and content and required disclosure for sale, of
17 individual policies of accident and health insurance, which
18 rules and regulations shall be in addition to and in accordance
19 with the applicable laws of this State, and which may cover but
20 shall not be limited to: (a) terms of renewability; (b) initial
21 and subsequent conditions of eligibility; (c) non-duplication
22 of coverage provisions; (d) coverage of dependents; (e)
23 pre-existing conditions; (f) termination of insurance; (g)
24 probationary periods; (h) limitation, exceptions, and
25 reductions; (i) elimination periods; (j) requirements
26 regarding replacements; (k) recurrent conditions; and (l) the

1 definition of terms including but not limited to the following:
2 hospital, accident, sickness, injury, physician, accidental
3 means, total disability, partial disability, nervous disorder,
4 guaranteed renewable, and non-cancellable.

5 The Director may issue rules that specify prohibited policy
6 provisions not otherwise specifically authorized by statute
7 which in the opinion of the Director are unjust, unfair or
8 unfairly discriminatory to the policyholder, any person
9 insured under the policy, or beneficiary.

10 (4) The Director shall issue such rules as he shall deem
11 necessary or desirable to establish minimum standards for
12 benefits under each category of coverage in individual accident
13 and health policies, other than conversion policies issued
14 pursuant to a contractual conversion privilege under a group
15 policy, including but not limited to the following categories:

16 (a) basic hospital expense coverage; (b) basic
17 medical-surgical expense coverage; (c) hospital confinement
18 indemnity coverage; (d) major medical expense coverage; (e)
19 disability income protection coverage; (f) accident only
20 coverage; and (g) specified disease or specified accident
21 coverage.

22 Nothing in this subsection (4) shall preclude the issuance
23 of any policy which combines two or more of the categories of
24 coverage enumerated in subparagraphs (a) through (f) of this
25 subsection.

26 No policy shall be delivered or issued for delivery in this

1 State which does not meet the prescribed minimum standards for
2 the categories of coverage listed in this subsection unless the
3 Director finds that such policy is necessary to meet specific
4 needs of individuals or groups and such individuals or groups
5 will be adequately informed that such policy does not meet the
6 prescribed minimum standards, and such policy meets the
7 requirement that the benefits provided therein are reasonable
8 in relation to the premium charged. The standards and criteria
9 to be used by the Director in approving such policies shall be
10 included in the rules required under this Section with as much
11 specificity as practicable.

12 The Director shall prescribe by rule the method of
13 identification of policies based upon coverages provided.

14 (5) (a) In order to provide for full and fair disclosure in
15 the sale of individual accident and health insurance policies,
16 no such policy shall be delivered or issued for delivery in
17 this State unless the outline of coverage described in
18 paragraph (b) of this subsection either accompanies the policy,
19 or is delivered to the applicant at the time the application is
20 made, and an acknowledgment signed by the insured, of receipt
21 of delivery of such outline, is provided to the insurer. In the
22 event the policy is issued on a basis other than that applied
23 for, the outline of coverage properly describing the policy
24 must accompany the policy when it is delivered and such outline
25 shall clearly state that the policy differs, and to what
26 extent, from that for which application was originally made.

1 All policies, except single premium nonrenewal policies, shall
2 have a notice prominently printed on the first page of the
3 policy or attached thereto stating in substance, that the
4 policyholder shall have the right to return the policy within
5 10 days of its delivery and to have the premium refunded if
6 after examination of the policy the policyholder is not
7 satisfied for any reason.

8 (b) The Director shall issue such rules as he shall deem
9 necessary or desirable to prescribe the format and content of
10 the outline of coverage required by paragraph (a) of this
11 subsection. "Format" means style, arrangement, and overall
12 appearance, including such items as the size, color, and
13 prominence of type and the arrangement of text and captions.
14 "Content" shall include without limitation thereto, statements
15 relating to the particular policy as to the applicable category
16 of coverage prescribed under subsection 4; principal benefits;
17 exceptions, reductions and limitations; and renewal
18 provisions, including any reservation by the insurer of a right
19 to change premiums. Such outline of coverage shall clearly
20 state that it constitutes a summary of the policy issued or
21 applied for and that the policy should be consulted to
22 determine governing contractual provisions.

23 (c) Without limiting the generality of paragraph (b) of
24 this subsection (5), no policy shall be offered for sale
25 directly to consumers in this State as a qualified health plan,
26 as defined in the federal Patient Protection and Affordable

1 Care Act of 2010 (Public Law 111-148), as amended by the
2 federal Health Care and Education Reconciliation Act of 2010
3 (Public Law 111-152), and any amendments thereto, or
4 regulations or guidance issued under those Acts (collectively,
5 "the Federal Act"), unless the following information is made
6 available to the consumer at the time he or she is comparing
7 policies and their premiums:

8 (i) With respect to prescription drug benefits, an
9 up-to-date formulary where a consumer can view in one
10 location covered prescription drugs; information on
11 tiering and the cost-sharing structure for each tier; and
12 information about how a consumer can obtain specific
13 copayment amounts or coinsurance percentages for a
14 specific qualified health plan before enrolling in that
15 plan. The formulary shall clearly identify the qualified
16 health plan to which it applies.

17 (ii) The most recently published provider directory
18 where a consumer can view the provider network that applies
19 to each qualified health plan and information about each
20 provider, including location, contact information,
21 specialty, medical group, any institutional affiliation,
22 and whether the provider is accepting new patients. The
23 information shall clearly identify the qualified health
24 plan to which it applies.

25 (d) Each company that offers a qualified health plan shall
26 make the information in paragraph (c) of this subsection (5),

1 for each qualified health plan that it offers, available and
2 accessible to the general public on the company's Internet
3 website and through other means for individuals without access
4 to the Internet.

5 (e) The Department shall ensure that State-operated
6 Internet websites, in addition to the Internet website for the
7 health insurance marketplace established in this State in
8 accordance with the Federal Act, prominently provide links to
9 Internet-based materials and tools to help consumers be
10 informed purchasers of health insurance.

11 (f) Nothing in this Section shall be interpreted or
12 implemented in a manner not consistent with the Federal Act.
13 This Section shall apply to all qualified health plans offered
14 for sale to consumers for any coverage year beginning on or
15 after January 1, 2015.

16 (6) Prior to the issuance of rules pursuant to this
17 Section, the Director shall afford the public, including the
18 companies affected thereby, reasonable opportunity for
19 comment. Such rulemaking is subject to the provisions of the
20 Illinois Administrative Procedure Act.

21 (7) When a rule has been adopted, pursuant to this Section,
22 all policies of insurance or subscriber contracts which are not
23 in compliance with such rule shall, when so provided in such
24 rule, be deemed to be disapproved as of a date specified in
25 such rule not less than 120 days following its effective date,
26 without any further or additional notice other than the

1 adoption of the rule.

2 (8) When a rule adopted pursuant to this Section so
3 provides, a policy of insurance or subscriber contract which
4 does not comply with the rule shall not less than 120 days from
5 the effective date of such rule, be construed, and the insurer
6 or service corporation shall be liable, as if the policy or
7 contract did comply with the rule.

8 (9) Violation of any rule adopted pursuant to this Section
9 shall be a violation of the insurance law for purposes of
10 Sections 370 and 446 of the Insurance Code.
